HERTFORD COLLEGE STUDENT SUPPORT FUNDS

What is it?
The student support funds are intended to help students in financial difficulty. The funds are donated to the college by alumni and charitable institutions for this purpose.

Who is eligible?
All undergraduate and graduate students, both UK and overseas, are eligible.

What claims are not normally successful?
- Claims to fund extra-curricular activities such as sports or travel.
- Academic related travel or study for which there are other sources of college funds.

How much are the grants?
- Grants are typically between £200-800 per term depending on the circumstances and the level of funds available.
- Grants may be “one-off”, to help a student through a difficult period or may be repeated throughout the period of a student’s degree if the financial circumstances persist. However, students will need to apply for each term that support is requested.

How to I apply?
- You should complete the application form, available at http://www.hertford.ox.ac.uk/sites/default/files/content/files/discover-hertford/Student%20Support%20Fund%20Application%20form%202016.pdf
- The application form requires you to declare information on your finances. These details will remain confidential to the Student Support Committee and the bursary.

When do I apply?
- Applications must be submitted to the College Office by email by the end of 2nd or 6th Week each term.
- Your application will be considered by the Student Support Committee, which meets in 3rd and 7th week each term. Members of the Committee are: the Dean (Chair), Bursar and the Tutor for Graduates
- The college will contact students to tell them the result of their application.
