The Start of Term: Term Dates

The dates of full term for the academic year 2016/2017 will be as follows:

- **Michaelmas Term**: Thursday 6th October to Saturday 3rd December 2016
- **Hilary Term**: Thursday 12th January to Saturday 11th March 2017
- **Trinity Term**: Thursday 20th April to Saturday 17th June 2017

Please note that, due to the demands of research, these dates are for guidance only.

The Start of Term: Getting Established

On arriving at the College you should go to the College Office to collect your welcome pack and be given your University Card which will give you access to Libraries and Departments.

It is essential that all students new to Oxford attend the Matriculation Ceremony on the morning of Saturday 15th October, in order to become a formal member of the University. 'Sub fusc' must be worn – i.e.:

1. One of
   a. Dark suit with dark socks, or
   b. Dark skirt with black tights or stockings, or
   c. Dark trousers with dark socks
2. Dark coat if required
3. Black shoes
4. Plain white collared shirt or blouse
5. White bow tie, black bow tie, black full-length tie, or black ribbon.

Gowns & caps are also worn. Gowns may be obtained from shops in town: Castell & Son (13 Broad Street); Shepherd & Woodward, (109 High Street); or Walters & Co. (10 The Turl). A group photograph will be taken in College after the ceremony.

The Start of Term: Overseas and European Students
The University holds two Orientation Days for Overseas and European graduate students at the Exam Schools, on the Thursday 29th September, 9.30am-5pm, for graduates in the Social Sciences division, and on Friday 30th September, 9.30am-5pm, for graduates in the Humanities, Medical Sciences and MPLS divisions. Please refer to the Student Gateway website: http://www.ox.ac.uk/students/new/orientation/ to make a booking. The Orientation Registration Code is Oxorient.

Take a look at the Government website: www.ukvisas.gov.uk. For immigration purposes, overseas students are required to present their passport and visa/ID card to the College Office for scanning when they collect their University card.

Students with Tier 4 visas will need to collect their biometric residence permit (BRP) cards on arrival. This can be done at the Exam Schools between 1pm and 5pm on Tuesday 27th September, and between 9am and 5pm from Wednesday 28th September to Tuesday 4th October (excluding Saturday 1st and Sunday 2nd October). If you wish to collect your BRP from the Exam Schools you will need to enter a unique code on your visa application, which is 2HE627, and select the ‘Alternative location’ collection option; we encourage you to use this. Students who arrive much earlier than 27th September or after 4th October will need to visit the Post Office to collect their BRP card.

Academic Matters

Academic Matters: Libraries
The Bodleian Library is a copyright deposit library and as such does not lend books. Admission is by means of your University (‘Bod’) Card. Each faculty or division maintains its own Library. The details of registration and admittance to those Libraries are distributed by each department, and there will be induction sessions for Graduates at the start of Michaelmas. Hertford’s Library is open 24 hours a day; access to the Library is by coded card, issued by the Lodge to students on arrival. There is a computer room in the library basement, and all desks have computer points. There will be an introductory tour of the College Library before the start of term to allow students to register to borrow books from the Library.

Academic Matters: Examination Entries
For some courses, online examination entry forms may have to be submitted within the first few weeks of your arrival at Oxford. As there is a penalty charge for late submission, you are advised to watch your email for notification.
**Academic Matters: College Advisors**

The Tutor for Graduates, Professor Martin Maiden, is responsible for graduates. Every Graduate is allocated a College Advisor; a member of the Senior Common Room, who will be on hand to offer guidance.

**Academic Matters: 2nd BA**

If you will be studying for a second undergraduate degree with senior status, you should submit your original degree certificate or an original transcript (a photocopy is not sufficient), plus a written statement from your university confirming your three years' residence there. Please bring these documents with you and give them to the Academic Administrator on arrival.

**Financial Matters**

**Fees and Charges**

Graduates are liable for Tuition Fees charged by the University (and, depending upon students' circumstances, to the College) **in advance** of their attendance at the University. The College collects these fees from the students on the University's behalf, and you are invited to pay these fees before you arrive. There are also other charges due to the College for accommodation and meals, etc. and, for some students, there is an additional College fee which varies between £2,933 and £7,135, depending upon the course.

Details of these Fees and charges for the academic year 2016/17, along with guidance on the College academic and domestic rules and procedures, are contained in a College Booklet entitled Information for Members, which will be available to view on the College website (at [http://www.hertford.ox.ac.uk/my-hertford/freshers](http://www.hertford.ox.ac.uk/my-hertford/freshers)) from early September. Meanwhile, the University website contains detailed information about University fees and available bursaries at [http://www.ox.ac.uk/feesandfunding](http://www.ox.ac.uk/feesandfunding).

**Other Charges**

Graduates who live in College accommodation will be invoiced by the College for the costs of accommodation, any food consumed, and other costs. The cost of College accommodation is currently slightly over £1,750 per term (for a nine month licence).

These invoices are called 'Battels', and are charged to students at the beginning of each academic term, and should be paid by the end of the third week of the term (there is a fine for late payment). Each termly 'Battels' bill includes a charge in advance for the accommodation for the term, and a charge in arrears for the costs of food and other items incurred since the previous invoice.

There are two amounts which must be paid in advance: £400 to secure the booking of College accommodation when the offer of accommodation is made; and £100, charged in the first Battels bill, for any other costs. Both items will in normal circumstances be refunded at the latest on the completion of your course.

If you have any questions about finance, please contact the Bursary on 01865 279420 or bursary@hertford.ox.ac.uk.
Bank Accounts and home email address

Please tell the Bursary your home email address to help us keep in touch with you. If you wish to pay your Battels and fees by card or cheque, you will need to have a UK Bank Account. In order to prove your student status, you will need to show a bank:

- the letter offering you a place at the University, or your enrolment certificate (which you can print following your College registration).
- your University identity card (which you will receive on arrival at the College).

Banks are legally required to request (for overseas students particularly)
- proof of identity (such as passport)
- evidence of your UK address
- (if appropriate) your overseas home address.

For the last two points, some sort of official documentation is desirable, ideally an up-to-date bank statement.

College Facilities

Accommodation

All student residents must read, understand, and confirm (by signing) their acceptance of the terms of the Licence to Occupy College Accommodation, a copy of which will be posted on the College website in September, at http://www.hertford.ox.ac.uk/my-hertford/freshers.

The College provides furniture, electricity and heating, internet access and telephone connection, but not towels, crockery, cooking equipment or bedding. If you do not wish to bring your own bedding (including duvet and pillows), you may purchase a bedding pack via the College website at http://www.hertford.ox.ac.uk/my-hertford/freshers which will be placed in your room prior to your arrival. Phone cards can be purchased from the College Lodge.

All rooms are single rooms. If residents wish to have guests to stay, they can book a guest room for them, for which there will be a charge. The College views the safety of its residents as paramount, so guests are not permitted to stay in single student rooms unless their presence is notified in advance to the Lodge and to Housekeeping and they stay for no more than three consecutive nights. There will be a fine and a charge for guests who overstay or who stay without prior notification. If an additional mattress and bedding is required for the visitor, there will be a charge of £10 per night.

Living Out - For those who have not been allocated rooms or who wish to live in private lodgings, the University Accommodation Officer (Ewert House, Ewert Place, Summertown, Oxford OX2 7BZ tel. 01865 278286 email: accommodation.office@admin.ox.ac.uk) will supply a list of lodgings which you may find helpful. You must live within 25 miles of the centre of Oxford or seek special dispensation from this limit. Please let the Lodge and the College Office have your address as soon as you have found accommodation. If you change your address, please let us know.
First arrival at the College

The accommodation licence starts on 1 October. You may come earlier – from 16 September – but you will be charged an additional £18.68 for all nights prior to 1 October. If due to extraordinary circumstances you need to arrive earlier than 16 September please get in touch.

All new graduate students must complete the graduate arrival form (http://www.hertford.ox.ac.uk/arrival-graduates) on the College website to let us know when they will be arriving.

College Facilities: The Middle Common Room (MCR)
All graduates are members of the MCR and, as members, are welcome to use the facilities offered by the College. These consist of a computer room, a tea room with an open fire and kitchen unit, post room, and a reading room (the Octagon) which was converted from a 15th century chapel. The MCR also provides newspapers, tea and coffee, a wine cabinet, a large selection of films, and a wealth of social activities (which are listed on the MCR Term Card). The MCR is run by the President and an elected Committee of students. This Committee is intended as a support structure for the MCR, and any Committee member would be willing to advise you on questions you may have when settling into Oxford Life. Graduates also have access to the JCR and its facilities.

When you arrive, you should visit the Lodge and the Academic Administrator. The MCR President will be on hand to welcome you and, at arranged times, will show you around the College and the Octagon (the MCR quarters). Post for members of the MCR is distributed in pigeonholes, located in the Computer Room within the MCR quarters.

College Facilities: The Lodge
The College Lodge is always open and is staffed by the Head Porter, Dave Haxell, and his team of Porters: Phillip, Angelo, Stephen, David, John, and Martyn; it is a student’s first port of call when arriving at Hertford, for keys and guidance. From the Lodge students can book punts, music rooms, and sports facilities, and find out about the College’s night-time taxi service; it is also where post and parcels are delivered before being taken to the MCR post room.

If you decide to live out, or register with an external doctor, or if your home address changes, let the Lodge know. The Lodge staff are all first aiders and can minister to small accidents. Should you be taken ill in your room, call the Lodge who will be able to call the College Nurse or Doctor and inform your tutors if necessary.

College Facilities: Religion
Hertford welcomes students of all faiths and none, and is committed to equal opportunities for all. For information about different faith communities in the university, in Oxford and beyond, please see the links provided on the Hertford Chapel website. The College has an Anglican chapel, located in the OB quad. All members of College are welcome to join in services or events, or to use the chapel as a quiet place for peaceful reflection at any time. The Chaplain is available for all members of college, regardless of belief. Further information about the chapel and its choir is supplied at http://www.hertford.ox.ac.uk/my-hertford/chapel.

College Facilities: Bicycle Registration
All students with bicycles are required to register them with the Lodge. You may also borrow the UV marker to mark your property with the same number as your bicycle. The Lodge porters keep a bicycle repair kit and cycle pump for student use, and have a limited supply of front and back lights, flashing armbands, and cycle locks are available for purchase from the lodge.

College Facilities: Student Overseas Storage
The College has very limited out of term storage facilities and as such all students are required to remove all their own property from the premises at the end of term or when vacating their lodgings.
A small amount of out of term storage is available, but its use is confined to overseas students and restricted to 3 boxes (weight limit applies) per person.

The following companies provide commercial storage facilities for hire within the Oxford Area.

The storage system works on a first come first served basis, once full overseas student will have to make their own arrangement with a commercial storage company.

**College Facilities: IT**

Hertford College has graduate computer rooms in the MCR Octagon, the Library and Graduate Centre. These computers can be used on a 24-hour basis and have all the appropriate software for your studies and printing needs. You will receive an account with IT Services so that you can make use of University resources; your computer account will be vital for your studies and communications while you are at Oxford University. This account includes an email address (your.name@hertford.ox.ac.uk) and gives you access to restricted areas on the Oxford University Network.

The college has both wired and wireless network access; please read the network regulations information before you arrive at Hertford http://www.ict.ox.ac.uk/oxford/rules/.

Further information about connecting to the wireless networks can be found at http://www.oucs.ox.ac.uk/network/wireless/services/owl/vpn/ for OWL and http://www.oucs.ox.ac.uk/network/wireless/services/eduroam/ for Eduroam. If you don’t have an ethernet cable for your wired connection, you’ll need to buy one from the IT Office at a charge of £2.50.

**Electoral Roll**

It is the responsibility of students living in College to register for the Electoral Roll if they so wish and are eligible to vote. It is advisable that UK graduates ensure that they are on the Electoral Roll of their home district so that they can apply for a postal vote there in the event of an election. EU graduates may apply for a form to participate if they wish to do so.
Welfare Provision

Welfare Provision: Medical Facilities
It is a requirement that every student must register with an Oxford doctor. The College Doctors are Dr Chloe Borton, Dr Matt Easdale, and Dr Rachel Allan; you should complete the online medical registration as detailed at [http://www.hertford.ox.ac.uk/medical-and-welfare-information-for-graduate-freshers](http://www.hertford.ox.ac.uk/medical-and-welfare-information-for-graduate-freshers) in good time before the start of term. There is a medical registration process for all graduate students; this is compulsory (and in addition to the online medical registration). There are two types of opportunity to attend; it is possible to sign up for individual appointments with the college nurse in the weeks beginning 26th September and 3rd October (fewer appointments are available in the second week). This will be arranged through the MCR Welfare Officer. Otherwise you must attend medical registration at the College Doctor’s Surgery on Saturday 8th October between 8 and 9am. If you have an NHS medical card, please bring it to this meeting. If you wish to register with a different doctor, their name and address should be given to the College. There is an additional leaflet for international students regarding healthcare; this is available at [http://www.hertford.ox.ac.uk/medical-and-welfare-information-for-graduate-freshers](http://www.hertford.ox.ac.uk/medical-and-welfare-information-for-graduate-freshers).

NHS dentistry is available at Studental on the Oxford Brookes University campus, telephone number 01865 484608.

The College Nurse/Welfare Officer holds a surgery every weekday from 0th to 9th Week in the medical room in NB1.3, and will visit students in their rooms if they are too unwell to attend surgery. She is able to deal with minor illnesses and will provide confidential advice and/or referral on health matters, vaccination or welfare problems. The Nurse’s hours are displayed on the Hertford College web pages. The College Nurse (yo.davies@hertford.ox.ac.uk) is also trained in mental health and cognitive therapy. She can offer help with stress, anxiety, depression and eating disorders. She can be emailed: nurse@hertford.ox.ac.uk or telephoned in the college surgery 2(79401). The doctors hold a weekly surgery in College in the medical room during term.

Welfare Provision: The College Welfare Team
The Dean, Dr Alison Woollard; the Nurse, Mrs Yo Davies; the Chaplain, Reverend Mia Smith; and the Registrar, Dr Matthew Hiscock, are responsible for the pastoral care of all the students. The Welfare team (which also includes the Junior Deans and MCR Welfare Reps), is here to help make your time in Oxford as happy as possible. Student Welfare Reps and Peer Supporters are also available to help you with any problems (even the really small ones) that you may encounter during your time in Oxford. The Chaplain is always pleased to speak in confidence with any member of College, irrespective of religious belief, regarding any matter, and can be contacted at chaplain@hertford.ox.ac.uk.
