Information for EU and International Freshers

Arrival

All EU and international freshers should arrive at Hertford on **Thursday 3rd October, by 3.30pm (BST)** wherever possible. We would be grateful if you could confirm your arrival details with the Accommodation Officer, Charlotte Malins. This will allow us to make preparations for your arrival.

BRP Collection (visa holders)

International freshers entering the country on a Tier 4 visa will need to collect their Biometric Residence Permit (BRP) on arrival in the UK.

The Examination Schools will be offering a collection system from Tuesday 1 October to Tuesday 8 October from 10am to 4pm each day (excluding the weekend). If you wish to collect your BRP from the Examination Schools you must book a time; please see the University’s ‘Frequently Asked Questions’ document for information about this process. If you are arriving earlier or later than these dates, you should choose the Post Office collection option instead or there may be a delay in being able to collect your BRP which is needed as evidence to open a bank account and other purposes.

For further information regarding tier 4 (general) student visas, please see the university website.

Police registration

Some visa holders will be required to register with the police. Please see the university website for further information.

University Orientation Programme

The University will hold a Freshers’ Fair in 1st week. This will include stands where you can seek advice from staff, including the visa and immigration stand and a Student Information stand. An international students handbook is also available with further information.
