## COLLEGE NOTES

THE Magazine has at last been affected by the paper shortage, and its appearance even in this attenuated form has been made possible only by the helpful co-operation of the staff of the University Press and especially the University Printer, Mr. John Johnson. It may be necessary if the war continues to suspend the Magazine after this issue; in that event a brief news-sheet may be sent out next year free of cost to all regular subscribers, whose subscriptions will be carried forward till after the war.

Contingents from Oriel and Keble continue to reside in the College, and during this term we are sharing our Chapel with all members of Oriel, whether resident in Hertford or not. Our numbers continue to decline, although very gradually, and of those who remain an increasing proportion is concerned with scientific studies. The Senior Common Room has suffered a further loss in the departure of the Chaplain, the Rev. G. I. F. Thomson, to take up a chaplaincy in the Royal Air Force, where his previous flying experience should prove a valuable addition to his other qualifications. We shall miss greatly his energy and enthusiasm, and the copious information about old members which he furnished to the Magazine. They are accordingly urged more earnestly than ever to supply information of interest about their doings, military and otherwise, to the Editor or to our porter, C. W. Larsen. For the present the Rev. W. M. F. Scott of Wycliffe Hall is acting as our Chaplain, while some of the services are being taken by Canon L. W. Grensted of Oriel.

Mr. A. T. Loyd has been elected an Honorary Fellow of the College, of which he is an old member (he came up in 1900). Closely associated with the affairs of Berkshire, he has been Lord Lieutenant of the County since 1935 and Chairman of the County Council since 1938. He has been an Ecclesiastical Commissioner for England since 1923.

We offer our congratulations to the Rev. A. M. Hollis (Chaplain of the College, 1924-31) on his election as Bishop of Madras; he is well acquainted with India, for he was on the staff of the Bishop's Theological Seminary in Tinnevely diocese from 1931 to 1936. Congratulations also to P. V. Cundy on winning the D.F.C.

Much interest has been aroused by the planting of two trees, a hawthorn and a Siberian crab, inside the grass of the front quad; it is hoped that others may appear later. Critics who resent this 'innovation' should note that on old prints the College buildings always appear in a setting of stately trees.

A genuine innovation is provided by the introduction into the College of 'Lady Godiva', our new trailer-pump from Coventry, manned on an alert by members of the College, who in term-time also provide a team to man the St. Mary's pump. The fire-fighting services of the University and Colleges have now been organized into Sections based on Areas; Hertford is included in the Radcliffe Square Area, which is controlled by a Gauleiter from All Souls.

## COLLEGE CLUBS AND SOCIETIES

## THE BOAT CLUB

LAST Trinity Term Hertford and Oriel, possessing three colours each, decided to form a combined crew for the Summer Eights. Mr. A. F. Martin of Oriel acted as coach most of the term. The boat was never very steady, and was therefore lucky to maintain its place on the river; it rowed over every day. G. F. Sharland was Captain and K. Wedgwood Secretary.

In the Michaelmas Term three Hertford freshmen (C. R. Poynting, W. J. Sayers, and G. A. Towler) trained in a clinker four for races arranged by the O.U.B.C. Although the crew was in the end unable to enter for the races, its members obtained much practice which improved their usefulness for Torpids. K. Wedgwood was Captain but in the middle of the term handed over the Captaincy to C. R. Poynting (formerly Secretary).

Hilary Term began with three weeks of inactivity due to bad weather and the speed of the river. This delay compelled us to concentrate on the training of a combined Eight with Oriel for the Torpids. There were three days of rowing, and the course was shortened to finish at the O.U.B.C. The combined crew, coached by A. F. Martin and later by D. Wright (the Oriel Captain), improved greatly in training. On the first night, starting at eighth, it bumped the Univ.-Merton boat in two minutes, and was only prevented by an unlucky accident from making a second bump on the last night.

## HERTFORD COLLEGE SQUASH RACQUET CLUB

*Captain:* S. Ardeshir. *Hon. Sec.:* M.T. 1941, J. A. Oram; H.T. 1942, L. K. Purkiss and A. N. Mather.

The activities of the Squash Club were not as intense as they might have been, chiefly owing to the difficulties of obtaining courts and also because of the shortage of players.

The team consisted of S. Ardeshir, J. A. Oram, L. K. Purkiss, A. N. Mather, and J. E. G. Vetch. Only the first two were old colours. Oram left after Michaelmas Term and was replaced in the side by A. G. Allen. During the season seven matches were played. We won 3 and lost 4.

## HERTFORD COLLEGE LAWN TENNIS CLUB

*Captain:* S. Ardeshir. *Hon. Sec.:* S. E. Hersom.

During Trinity Term 1941 we played an *exclusively Hertford side* and had quite a successful season. Those who played in Cuppers were: S. Ardeshir (Capt.), S. E. Hersom (Hon. Sec.), C. Watney, G. R. Rowell, G. Evans, J. A. Oram, E. A. Preston, and Paul Wrightson.

In Cuppers we were just beaten by St. John's and Worcester (a combined team) by one match. They reached the finals. We only lost one other match during the whole season, winning about ten.

## HERTFORD AND ORIEL HOCKEY CLUB

*Captain:* A. E. Preston. *Hon. Sec.:* B. Huson.

While very little hockey was played during the Easter Term, the Michaelmas Term was filled with a mass of fixtures, some of which proved to be a match of strength rather than skill, while some were of a more entertaining nature.

On the whole the team did very well; in the Cuppers we lost in the second round to Queen's and St. Edmund Hall, the eventual winners.

We were lucky to have W. Duff and B. Huson playing for us. Other notable players were G. P. Armstrong, H. M. Anderson, Ardeshir, Wace, and finally Oram as a very aggressive centre-forward.

The team which were awarded their colours consisted of: S. Ardeshir (*Goal*); Huson and Wace (*Backs*); Vetch, Armstrong, Duff (*Halves*); Preston, Marshall, Oram, Wigram, Anderson (*Forwards*).

## HERTFORD AND ORIEL RUGBY FOOTBALL CLUB

*Captain:* P. H. Coldwell. *Hon. Sec.:* P. C. Gibbs.

Once again we joined forces with Oriel so as to help us to raise a team, but even so there were often last-minute difficulties in getting a full turn-out.

Our activities were confined almost entirely, with one exception, to the Michaelmas Term owing to bad weather.

In the Michaelmas Term the team, captained by P. V. W. Mossman, showed promise by winning its first match against Magdalen and New College, but this success was shortlived as there followed a long succession of defeats, interrupted occasionally by drawn matches. Our failure in the majority of league fixtures, of which one was drawn and four lost, caused us to be relegated to Division II.

The majority of these games were, however, closely contested and on at least two occasions our opponents were successful only in the last minute. The most notable match was that played against the R.A.F., Brize Norton, which although lost was a well-fought and enjoyable game.

The match in the Hilary Term was the cupper against Merton and University College, which was lost by the narrow margin 14-11 after a fast open game.

Our most outstanding player was P. N. Walker, who having played for Gloucester during the previous season, gained a place in the University side against Cambridge.

Other notable players in Hertford included: M. Namasivayam (ex-Capt.), A. N. Mather, L. E. Bliss, R. J. Carter, R. D. D. Thomas, while from Oriel there was one old colour, W. B. McGregor, besides J. Birch, M. Allmand, J. Flisher, D. Firth, and R. B. Joynson, who played in the Freshmen's Trial.

## HERTFORD COLLEGE MAGAZINE

## HERTFORD AND CORPUS A.F.C.

FOR the season 1941-2 Hertford decided to combine with Corpus as there was an acute shortage of players in Oriol.

J. A. Walton was elected captain but had to leave at the end of the Michaelmas Term, when his place was taken by G. Williams.

The list of fixtures was curtailed by extremely bad weather conditions; the team played 6 league matches, of which 3 were won, 2 lost, and 1 drawn. We were defeated in the 'cupper' against Queen's and St. Edmund Hall by 6 goals to 2.

Colours were awarded to Purkiss, Ross, Sayers, Williams, also to Chitty and Mullens (both of Oriol).

## BOXING (HERTFORD AND ORIEL)

THE College was again well represented. Preston captained the University side, while Marshall and Duff proved staunch members of the team which beat Cambridge in the Town Hall on March 2. Altogether seven men belonged to the Boxing Club, and it is hoped that this number will at least be maintained next year.

## HERTFORD AND ORIEL C.C.

DESPITE the shortage of players and the lack of transport for 'away' matches, the combined team had a pleasant if not very successful season. The majority of the games were vigorous and well contested; on one occasion a team was sent to Bradfield. B. T. Wigoder (Oriol) was Captain and the mainstay of the side in most matches. Bateman (Oriol) was outstanding among the batsmen, and Duff (Oriol) achieved some success as a bowler, but the standard of bowling in the team was not very high.

## HERTFORD DRAMATIC SOCIETY

DURING the two winter terms the Society has had weekly play-readings. Its membership has now been opened to all men resident in Hertford. At the end of the Michaelmas Term *Hassan* was produced (with musical accompaniment) in the Old Hall. In the Hilary Term the Society held its first joint *play-going* with the Home Students' Dramatic Society, followed by a meeting in Hertford.

*President:* C. A. Thompson; *Secretary:* D. Griffiths (M.T.), B. Roe (H.T.); *Treasurer:* A. Nathan (M.T.); *Treasurer and Gastronomer:* R. D. Thomas (H.T.).
