COLLEGE NOTES

AS in 1944 the Magazine has to be sent to press early this year and contains no news later than the last week in March. During Hilary Term we have had thirty-nine Hertford cadets in residence, twenty other undergraduates and three graduates; in addition there were thirty Oriel undergraduates (of whom twelve were cadets) and two from Keble. The cadets form an increasing proportion of the total population of the College, and as they are only with us for six months it grows more difficult to maintain any continuity in the life of the Clubs. This year the principal sufferer was the Hockey Club, which after two years of brilliant success has plumbed the depths; we were so moved by the saga of its disasters sent in by our reporter that we decided to print it in full.

The immediate future is not more promising, as at least half the twenty men reading normal courses will disappear in June. For these losses there is some compensation in the fact that a few old members are beginning to return from the wars. David Tew came back in October, and Stephen Adams is expected next term, also R. G. Ellen. Bill Yates will be in Oxford too; a report of his death in Italy was fortunately disproved, and he hopes to combine treatment at a local hospital with a course of legal study under Mr. Fifoot. Peter Unwin returned to us for Michaelmas Term but departed again to the Army at the end of it. Leslie Kramer has been the President of the J.C.R. throughout the year; the Secretary is R. J. Hornby. The College Dance was held again this year in the rooms of the J.C.R. on the last Friday of Hilary Term.

There have been changes in the S.C.R. Mr. Denniston returned in October and restored a more vigorous discipline in the Library, to the consternation of some of his colleagues. Mr. Armstrong began to take pupils again in October but was not able to sever his connexion with M.A.P. completely until the end of the year, when he resumed the Deanship. Mr. and Mrs. Fifoot have just returned to their house in Woodstock; we shall miss them very much, and regret that Gillie's musical bark will no longer be heard in the front quad. Mr. Scott's departure to a Liverpool parish at the end of 1944 was a serious loss to the College, but we are fortunate to have secured as Chaplain Mr. D. R. Vicary, an old member of Trinity and Mr. Scott's successor at Wycliffe Hall.

The College has to mourn the loss of one of the most devoted of its members, Mr. Arthur Thomas Loyd, Honorary Fellow of the College; a brief notice of his career will be found elsewhere in this number. It has been well said of him that 'he leaves to his friends an unforgettable memory of charity, unselfishness, and charm'. Here, too, must be recorded the death of one who though not a member of the College had been closely associated with it during the last three years. On December 17th Captain Hall was drowned in an accident on the upper river; his death came as a great shock to all his friends, including the members of the S.C.R. A memorial service was held in the Chapel on January 22nd.

We regret that we cannot here commemorate individually the Hertford men who have given their lives in the war; we try to keep a complete record of them and of those who are serving, but it is not always easy, especially when they have not kept their names on the books. If readers of the Magazine know of any omissions it is hoped that they will bring them to the editor's notice.

COLLEGE CLUBS AND SOCIETIES

HERTFORD AND ORIEL CRICKET CLUB

Captain: R. E. ELLINS. *Hon. Sec.:* E. D. TAYLOR.

After two rather indifferent seasons the Eleven of the combined colleges enjoyed a great revival in the summer of 1944. Three old colours (the Captain, the Secretary, and J. B. Boyd Roberts) remained from 1943 and formed a nucleus for the Eleven, which was ably backed up by the cadets. We were fortunate in having three excellent batsmen among the freshmen, P. D. Tidey, E. J. G. Clark (Oriël), both of whom made centuries, and G. R. Mathison; Clark was also an efficient wicket-keeper. Of the bowlers A. G. Allen, K. G. Allison (Oriël), and J. B. Boyd Roberts (Oriël) were the most successful. Allen bowled the most blood-curdling fast bowling seen on the Oriël ground for years, Allison was a medium-pace bowler who did the hat-trick, and Boyd Roberts's finest effort was four wickets for five runs.

We were unbeaten in inter-college games, in which our outstanding performances were a game against Exeter and Lincoln (won by 157 runs after we had scored 226 for 2 declared) and one against Univ. and Merton which we won with the last ball of the match. Two matches were lost, one against a particularly strong R.A.M.C. team and one against the City Police. The Police, however, had to concede us a handsome revenge later in the season when we made 123 for 5 declared, winning an enjoyable game by 58 runs.

No small debt of gratitude is due to Webb, the Oriël groundsman, who has kept the wicket in first-class condition and has given us invaluable advice. His teas have to be seen to be believed.

Colours were awarded at the end of the season to A. G. Allen, P. D. Tidey, and G. R. Mathison (all of Hertford) and to K. G. Allison and E. J. G. Clark, both of Oriël. J. B. Boyd Roberts was elected captain for 1945.

HERTFORD AND ORIEL LAWN TENNIS CLUB

Captain: D. P. LEESE (Oriël). *Hon. Sec.:* P. F. MAUGHAM (Hertford).

As usual Hertford and Oriël maintained their independence except in Cuppers. Several friendly matches were arranged, but as the cadets had many parades and some of the senior members were distracted by the proximity of examinations, only one was actually played; this was against Worcester and was drawn.

In Cuppers the combined Hertford and Oriël team met with considerable initial success, winning the first three rounds very easily. In the semi-final, however, we had to face New College, who were the previous winners of the cup and still

retained their first two pairs from the year before; they proved too strong for us and we were beaten by a large margin. We were lucky to retain for the team the invaluable assistance of S. Ardeshir, ex-captain of the O.U.L.T.C., and we were also much strengthened by E. J. G. Clark, an Oriel freshman who played for the University against Cambridge.

The team in Cuppers was: S. Ardeshir and D. Leese, 1st pair; E. J. G. Clark and G. R. Bolt, 2nd pair; M. B. Cooper and J. A. Hamilton, 3rd pair. All new members of the team were awarded their colours.

HERTFORD AND ORIEL A.F.C.

Captain: J. GRAHAM (M.T.), B. R. BROWN, Oriel (H.T.).

Hon. Sec.: B. R. BROWN (M.T.), A. MUNTZER, Oriel (H.T.).

The Soccer Club has had a moderately successful season. Compared with last year we started Michaelmas Term 1944 under the disadvantage of having only two colours left, and the amount of support we received from freshmen was also on a somewhat reduced scale. The result was that our great performance of the year before, when we gained the second place in the League Competition held in Michaelmas Term 1943, could not be repeated, and we had to be content with the more modest achievement of coming fifth. Of eight League games four were won, one drawn, and three lost. Among the freshmen W. A. Emerson in goal and A. Muntzer (Oriel) at full-back were outstanding and were awarded colours at the end of the term.

When Hilary Term opened, our usual early departure from Cuppers seemed even more likely than in previous years. We received some additional strength, however, from a small contingent of Keble men who were unexpectedly amalgamated with us at this stage. The draw favoured us with a bye in the first round, and in the second we met New College and Magdalen and defeated them 4-1. In the semi-final we were drawn against Queen's and St. Edmund Hall, who had headed the League in the Michaelmas Term. This proved a very hard and exciting game, played at a great pace under ideal conditions. Our opponents scored twice within twenty minutes of the start, and although our defence played superbly and prevented any further score, our forwards were unable to penetrate the strong Queen's defence and make up the arrears. After the game J. R. Allan, who at right-back had been consistently sound throughout the season, was awarded colours.

The cold spell at the beginning of Hilary Term and the requirements of the S.T.C. at the end forced us to curtail our fixture list, and only a few other games were played. Notable among these were two against an R.A.M.C. Eleven, who defeated us 5-4 and 1-0.

Hertford men, other than colours, who played regularly were C. J. Allen, R. M. Currie, and W. C. Weston.

HERTFORD COLLEGE SQUASH RACQUETS CLUB

Captain: S. ARDESHIR. *Hon. Sec.:* P. J. NORTON.

The Squash Club has not been as active as it might have been during the last two terms, chiefly because we have lacked a sufficient number of keen players. Matches were played against Worcester and Corpus Christi. We combined with Oriel for Cuppers, but at the last minute they found that they could only supply one player, with the result that the Cuppers match against Christ Church had to be left unfinished.

The team consisted of S. Ardeshir, P. J. Norton, D. N. Richardson (Oriel), H. M. Morgan (Oriel), and M. L. Laws.

HERTFORD AND ORIEL RUGBY FOOTBALL CLUB

Captain: A. D. S. TANTRAM (Oriël).

Hon. Secs.: L. KRAMER (Hertford), I. G. M. McCALL (Oriël).

This season Hertford continued its war-time association with Oriël under the captaincy of A. D. S. Tantram. Two old colours remained, P. H. Coldwell and L. Kramer, though the former was available only for Michaelmas Term. The most successful part of the season was that which fell within the Michaelmas Term; of the ten matches played during the term only three were lost. Five of the games were against local Army and R.A.F. sides and against the Oxford Exiles, whom we defeated 21-3.

In Hilary Term only five fixtures were played off. Several members of the team were lost to the Greyhounds, and there was an unfortunate lack of the previous term's enthusiasm, a lack which was probably connected with an increase in the commitments of those members of the Club who were cadets. A team was entered for the open seven-a-side tournament and won through the first round, beating the 21st Army Group. We were singularly unfortunate in Cuppers, for in the first round we were drawn against Worcester and St. John's, the finalists, and four regular members of the team, including the Captain, were prevented by injuries from playing.

J. W. Hele played throughout the season for the Varsity, including the match against Cambridge. F. H. P. Cattle, F. W. W. Carvel, and A. D. S. Tantram, all of Oriël, and P. Byford (Hertford) and S. A. F. Comer (Hertford) played regularly for the Greyhounds. Comer also played for the Varsity side on some occasions as full-back. The Club had a large selection of excellent forwards, and S. A. F. Comer, F. H. P. Cattle, and R. A. Couch were outstanding outside the scrum.

Colours were awarded to J. W. Hele, S. A. F. Comer, D. E. F. Burney, R. A. Couch, P. L. Day, D. Lloyd, D. Finfer (all of Hertford), and to W. J. Donaldson, F. Denney, I. G. M. McCall, P. C. E. Gould, H. M. Morgan, F. H. P. Cattle, J. N. Balmford (all of Oriël).

HERTFORD AND ORIEL HOCKEY CLUB

Captain: R. C. CRICHTON (Oriël). *Hon. Sec.:* G. S. BUCHANAN (Oriël).

The Club entered the current season with a very fine list of achievements to its credit. The Inter-Collegiate Cup had remained in its possession for two years, and the side had maintained an unbeaten record except for one defeat by 1-0 against a very strong Bart's side in Hilary Term 1944. But in Michaelmas Term 1944 only one member, Crichton, was available from the victorious Cupper side of the previous season. Starting from scratch he embarked upon the stupendous task of finding new talent among the freshmen, mostly cadets. Among the newcomers Buchanan shone and was elected Secretary. Several matches were played, but the results were far from satisfactory. The difficulties of Crichton's task had been enhanced by war-time conditions, for not only had a completely new side to be got together composed mostly of young and inexperienced players, but as most of them were cadets there was only one day in the week, Saturday, on which they were all simultaneously available. These were formidable obstacles which no captain could hope to surmount successfully. Crichton, however, applied himself vigorously to his task and thought he had some good material in the raw for a Cuppers side, though it was obvious that a great amount of practice would be needed.

When Hilary Term arrived the elements were unkind to us; hockey was out of the question for the first three weeks of the term, and this forced inactivity diminished Crichton's prospects of getting something like a team together. Only a very few matches could be played before Cuppers started. We were drawn

against New College and Magdalen. On the night before the match Crichton was informed by two cadet members of the team, Robinson (centre-half) and Morrison (left wing), that they would be unable to play. He was therefore compelled to put in two substitutes and rearrange the whole team, a team that had never really played together. But the tale of our misfortunes was not yet complete. When the game had only been in progress for a few minutes, Crichton got into the way of a hard drive and badly injured his ankle; he tried the expedient of dipping it in an icy stream, and courageously returned to the fray after half-time, but it was obvious to the spectators that he was in pain throughout and could not play his best. After this accumulation of disasters it was not surprising that we were beaten. A few more friendlies were played before the end of the term, and so finished one of the most unfortunate and dismal seasons that the Club has experienced during the war.

The members of the Cuppers team were: B. A. Varian (*Goal*); P. S. C. Walker, R. C. Crichton (*Backs*); A. W. Heath, P. J. Norton, J. G. R. Guy (*Halves*); G. S. Buchanan, J. C. Willan, A. E. Bond, J. G. Parrish, K. N. Dove (*Forwards*). Of these Hertford supplied Varian, Norton, Parrish, and Dove.

The Captain awarded G. S. Buchanan his colours after the match.

MISCELLANEOUS

THE growing difficulties experienced by the Boat Club in maintaining its activities under war-time conditions were described in last year's report. During the last twelve months those difficulties have reached a climax, and though some members of the College have continued to row it has proved impossible to make up a crew. R. G. Hornby, previously Secretary, became Captain in June 1944. P. R. Unwin was Secretary in the Michaelmas Term, but at the end of the term he went down and Hornby was compelled by pressure of outside work to resign, whereupon they were succeeded by W. D. G. McIlroy as Captain and M. Day as Secretary. McIlroy, an R.N. Cadet from Radley, rowed bow in the Oxford boat in the war-time boat-race against Cambridge on February 24th over the Henley Regatta Course. We offer him our hearty congratulations on this distinction, which has maintained the credit of Hertford rowing in difficult times, and hope that it may prove an omen of the renaissance of the Boat Club after the war.

The University Boxing Club has fought seven matches this season, winning two and drawing two. L. Kramer (Hertford) was captain of the Varsity team, and won four of the six bouts in which he engaged. The Cambridge match resulted in a draw.

B. McConkey (Hertford), who is now at the Radcliffe Infirmary and engaged on the second part of his B.M. Course, continues to preside over the University Judo Club, but there is no evidence that any other members of the College have taken any part in the activities of the Club.

The Hertford Dramatic Society is still suspended. Dramatic and Literary societies seem to suffer even more than the clubs from the lack of continuity in the greater part of the undergraduate population in war-time. Mr. Graham, one of our oldest inhabitants (he has been up since 1941), informed us that he had not even heard of the Tyndale Society, and research in past numbers of the magazine revealed that the Tyndale had ceased to function before the war. It may be that the literary and oratorical talents of members of the College have found scope elsewhere. Our congratulations are due to Mr. Walton, who has been elected President of the Union Society for Trinity Term 1945.
