### Visiting Hertford this Summer

Scones, anyone? Following the success of our **Quad Café** last year, we are offering a smaller scale afternoon tea opportunity, open to all alumni and guests, so why not join us for a delicious afternoon tea this summer! Opening hours are Monday-Sunday 12:00-16:00, although it will be subject to weather conditions and private events in College, and so we advise you call ahead to check that we are open, before you plan your visit.

**Alumni will receive a 25% discount**, please show this email to serving staff. You can find all the details on our website. <https://www.hertford.ox.ac.uk/event/quad-cafe>

Whilst you're here in Oxford, you can relive your student days by staying in one of our **newly refurbished rooms** in Holywell Quad. This accommodation offer is available throughout August, exclusively for alumni and guests, at a room only rate of £49.50 (no breakfast). Linens, towels and WiFi is included, but don't forget- our student rooms have single beds and shared facilities. Alternatively, if you'd like a little more luxury, our **ensuite alumni guest room** is available as usual at the rate of £65 per night.

### Alumni survey 2022

As we shape up our engagement plans for the coming year, we would really value your thoughts and input. We have designed a **survey** which will take no more than 10 minutes to complete. The information you provide will be used to support the development of our **alumni engagement strategy** and we invite you to fill it in now! As ever, we are very grateful for your support.

### Giving Day 2022

We're overjoyed to say that our first ever Giving Day at Hertford was a success! Over the course of 36 hours, **209 donors** raised **£69,064** for our **Opportunity** and **Foundation Funds**. A hert-felt thank you to all those who supported us.

### The Bridge blog

We would like to remind you that The Bridge is now online at [www.hertford.ox.ac.uk/bridge](http://www.hertford.ox.ac.uk/bridge). A variety of alumni news and stories are featured, spanning topics from cancer and cosmetics to mental health and doodling. We hope you enjoy this snapshot of highlights from the Hertford community. As ever, we'd love to hear your reactions, so please let us know what you thought. And if you would like to write for the blog, do please get in touch.

### Call for contributions to The Magazine

Finally, we are compiling the next edition of the **Hertford College Magazine**, and we would like to include news and updates from our alumni. If you have any news in the next issue, please email us by **Friday 26 August 2022** and include any photos that you would like us to print.

We look forward to seeing you soon!
